

1/08 SB1006 INTRODUCED TO PROVIDE FOR PROFESSIONAL LICENSE EXTENSIONS FOR MILITARY MEMBERS.

SB1006 has been introduced at the State Legislature to prohibit the expiration of, and provides a six-month extension for, various professional and occupational licenses issued to members of the armed forces serving on active duty, under certain conditions. It is hoped that Board statutes, A.R.S. §§ 32-3619 and 32-3628, will be amended to comply with the Real Property Appraiser Criteria adopted by the Appraiser Qualifications Board, which requires that appraisers returning from active military duty have a period of 90 days to complete all continuing education (rather than 180 days provided in Board statutes).
